

HORSIFY

Pencilling dressage in Horsify

Quick reference for the judge's table. The red numbers show where to tap.

For pencillers

Your job: record exactly what the judge calls out. Never change, shorten or decide a mark yourself. **Not sure? Ask the judge straight away.**

No login needed

The organiser logs the device in for you. Please **don't log out**.

Live or offline?

Live scoring needs **stable internet**. Patchy or none? Use **offline mode**. It uploads later.

Using a hotspot?

If the hotspot phone walks away mid-test, **the sheet will freeze**. Keep it **beside the device**.

1 Open the rider

A On the **Dressage** scoring page, find the next ride. Check the **bridle number**, **rider** and **horse** match the arena.

B Tap **Open**.

2 Score each movement (Movements tab)

- 1** **Movement numbers** show each mark. Missed one? Tap its number.
- 2** **Tap the mark**. 1 tap = 7, again = 7.5, 3rd tap clears.
- 3** The **Mark** badge shows what's recorded.
- 4** **Typed notes**: type the judge's comment.
- 5** **Shorthand keys**: an abbreviation in one tap.
- 6** **Handwritten notes**: pen, stylus or finger.
- 7** **Penalties**: if the judge rings the bell, set errors of course under **Whole test so far**, then **Done**. Mark deduction or technical faults only if the judge asks.
- 8** Tap **Next**. It saves as you go.

3 Collective marks

A Open the **Collective Marks** tab. It counts how many are marked.

B Tap the mark for each collective.

C Type comments in **Remarks**.

4 Review and submit (Review tab)

- 1** **Missing movements** and **collectives** both **0**.
- 2** **Final remarks**: the judge's closing words, in **Write here**.
- 3** The judge signs in **Sign here**.
- 4** Tick **I confirm...**
- 5** **Submit score sheet**, then **Score next competitor**.

Quick checklist

- ✓ Device charged, charger with you
- ✓ Hotspot phone beside the device
- ✓ Right rider and horse on screen
- ✓ Every movement and collective has a mark
- ✓ Final remarks written, if the judge gives any

If something goes wrong

Sheet freezes: don't close it. Check the hotspot phone, tell the organiser.

Red "not saved" message: tap **Retry now** when you have signal.

Submit won't work: it needs internet. Submit when back online.

Horse doesn't come in, or a **mistake after submitting**: tell the organiser.
